

# MINERMEN MAKING A DIFFERENCE

## 200 Hours of Service!

We are inviting all “MinerMen” - dads, grandpas, & uncles to come be part of our campus & volunteer your time & talents on our campus. The time can be in the library, classroom, on the playground, in our tech lab, organizing games for kids at recess and lunch, at major events to help with set up, volunteer coaching, etc... Lots of opportunities to make a difference at whatever comfort level and time commitment you are willing to give. We would appreciate the “MinerMen” being on our campus and Making A Difference!!!! Our goal is to have our Miner Men dedicate 200 hours to the students at Copper Hills during the 2016-17 school year!

How Do I Become part of the “MinerMen Team” that wants to Make A Difference on the campus?

- Step 1: Fill out the CUSD Volunteer Form to commit to volunteering on the campus.
- Step 2: Turn in the CUSD Volunteer Form to our front office. We have a screening process that is required to volunteer. It will require a copy of your driver’s license as well. Takes 3 Days to process.
- Step 3: Set aside dedicated time to helping the Miners! It could be one day all year, once a week, or to whatever comfort level you are willing to give to our campus and students.
- Step 4: Our “MinerMen” volunteer coordinator will reach out to you in late October to give you the assigned times once your application is processed.
- Step 5: Go Make A Difference with the students on the campus!!!!

**GOAL:** To have the “MinerMen” dedicate over 200 hours during the 2016-17 school year to our kids. Thank you!
