

“RESPONSIBILITY”

HOW TO BE A RESPONSIBLE PERSON

- Be reliable and dependable; when you agree to do something, do it.
- Take care of your own business. Don't make others do what you are supposed to do.
- Take responsibility for your actions; don't make excuses or blame others.
- Use your head; think before you act; imagine the consequences.

Practical Applications

Students being organized & Responsible for their own work, chores, daily planning and goals.

Students take responsibility when they make choices that do not advance their learning and progress towards their goals. Learn from those choices and move forward.

Students are responsible for their own personal hygiene & home responsibilities when given clear instructions and expectations. Ex. It is expected that... Set-up reward systems/praise to reinforce positive behavior towards the expectations.

Students are given a clear role and expectation as to their responsibility as a citizen, son/daughter, brother/sister, student, student-athlete. Students are then expected to carry out those responsibilities. Modeling those behaviors & expectations is extremely helpful.
